Local and International Accreditation Committee

Overview

The mission of the Local and International Accreditation Committee is to prepare for CAA Initial Accreditation and Re-accreditation visits; develop responses to External Review Team Reports, as required; and to prepare all documentation required for the purposes of the application to international accrediting bodies for programs.

Responsibilities

1. Arrange for program reviews as necessary, to ensure consistency with CAA Standards
2. Prepare responses to the Reports of External Review Teams concerning programs reviewed as necessary
3. Prepare the Initial Application for Eligibility to the AACSB, and in due course, the GAP Analysis and the Self-Study required for the initial accreditation visit

Chairman

Dr. Sameer Barghouthi

Vice President for Academic Affairs
