

## Visit to Smart Dubai Office

A delegation from Al Falah University headed by Dr. Noor Aldeen Atatreh, Chancellor visited the Smart Dubai office to meet with Dr. Aisha Bint Buti Bin Bisher, Director General for a partnership in the fields of education, community engagement and scientific research.

Dr. Atatreh congratulated Dr. Bisher on her leadership and role in making Dubai the happiest and smartest city in the world via the initiatives of the Smart Dubai Office following the vision of His Highness Sheikh Mohammad bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai.

Dr. Atatreh also gave a detailed description of Al Falah University, its accomplishments and future plans. He also discussed the vital role of the university in educating and disseminating knowledge not just to the registered students but by serving the local community throughout its various community engagement activities.

Towards the end of the meeting, the two parties stressed the need to have strong relations, a means to exchange ideas and knowledge about initiatives regarding spreading knowledge and improving the quality of education within AFU and the whole of UAE.
