Credit Hours Fees Reimbursement Policy:

A registered student, who willing to cancel his /her registration, or withdraws from the University before a semester is completed, will be granted a pro rate refund of that semester's tuition fees according to the schedule below:

- In case the registered student is willing to withdraw from the University within the first week from the commencement of the study, then he/she may reimburse 100% of the credit hours fees in addition to the security amount only.
- In case the registered student is willing to withdraw from the University within the second week from the commencement of the study, then he/she may reimburse 60% of the credit hours fees in addition to the security amount only.
- After the second week from the commencement of the study, the student shall not be entitled to claim any reimbursement and, besides, all the amounts and postdated cheques paid in relation to the tuition fees become payable.
- The policies mentioned in the current clause are applicable to the students willing to postpone their study to a following semester according to the mentioned dates as well as the dismissed students due to specific disciplinary procedures.

Scholarships & Financial Aids

The University provides various scholarships through conducting discounts on the fees payable by the students.

For instance, the discount applied to the excellent students during the general secondary education as well as the excellent students during each semester of the academic study at the University, the discounts applied to siblings or spouses, incentive discounts regarding a number of programs and majors and the discounts resulted from agreements signed with a number of the local community institutions in both public & private sectors. Moreover, a number of discounts are applicable to participations in extracurricular activities as well as various awards granted to students who realize any scientific achievements or innovations.

Methods of University Tuition Payment

The University accepts the following payment methods:

1. Payment in cash at the accounting offices allocated for the students within the campus or through the ATMs at a number of banks. (For more information on the approved banks, kindly refer to the student accounting officer).
2. Payments by credit cards.
3. Through bank transfers or through exchange companies in the name of Al Falah University.
4. By cheques issued in the name of Al Falah University (in accordance with the relevant conditions for accepting cheques).

Students Supported by Donors

Students, who have got scholarship or his tuition to be paid by an employer, or any other sponsor, must provide the finance unit with an authorization letter from the sponsored party clarifying their responsibility towards fees payments and the contact information for designated person in charge to follow up with regarding this matter.
